

President's Message

It hardly seems possible that another year has passed, and we are all looking forward to a very bright and healthy new year.

Our Aged Care Facility at Salters Point is progressing, despite the many difficulties.

As you are all aware there is another variant of Covid 19 so please, we ask you all to take care and wear a mask, and we hope this will help to stop the spread of the germs connected to Covid 19.

Also, on another upsetting note Elder Abuse is on the rise, so if you think you are being abused be it financial, physical, etc. or know of a friend, loved one or just an acquaintance please call **1300 724 679** for advice

Lois Jones
State President

On a much brighter note our Ellenbrook Branch will be holding a Christmas in July for all members so watch this space for the date to put it in your 2023 diaries, for a day of fun, entertainment and camaraderie.

Retirees WA has just celebrated its 90th year of helping the communities in Western Australia, and due to the foresight of people many years ago we can now all enjoy some of their endeavours, such as our Funeral Fund.

May we all at Retirees WA wish you a Happy New Year, as we at Retirees WA look forward to the next 10 years, working for all members of the community and to the celebration of our centenary birthday.
